# ETERNITY

"A teacher affects eternity; he can never tell where his influence stops."

—Henry Adams

## Paul A. Davison
## Principal

While he was taken from us on April 13, 1959, his inspiration and influence live on in the minds and hearts of all who knew and loved him. Though the community was saddened in his parting, we rejoice in the memories he left with us.

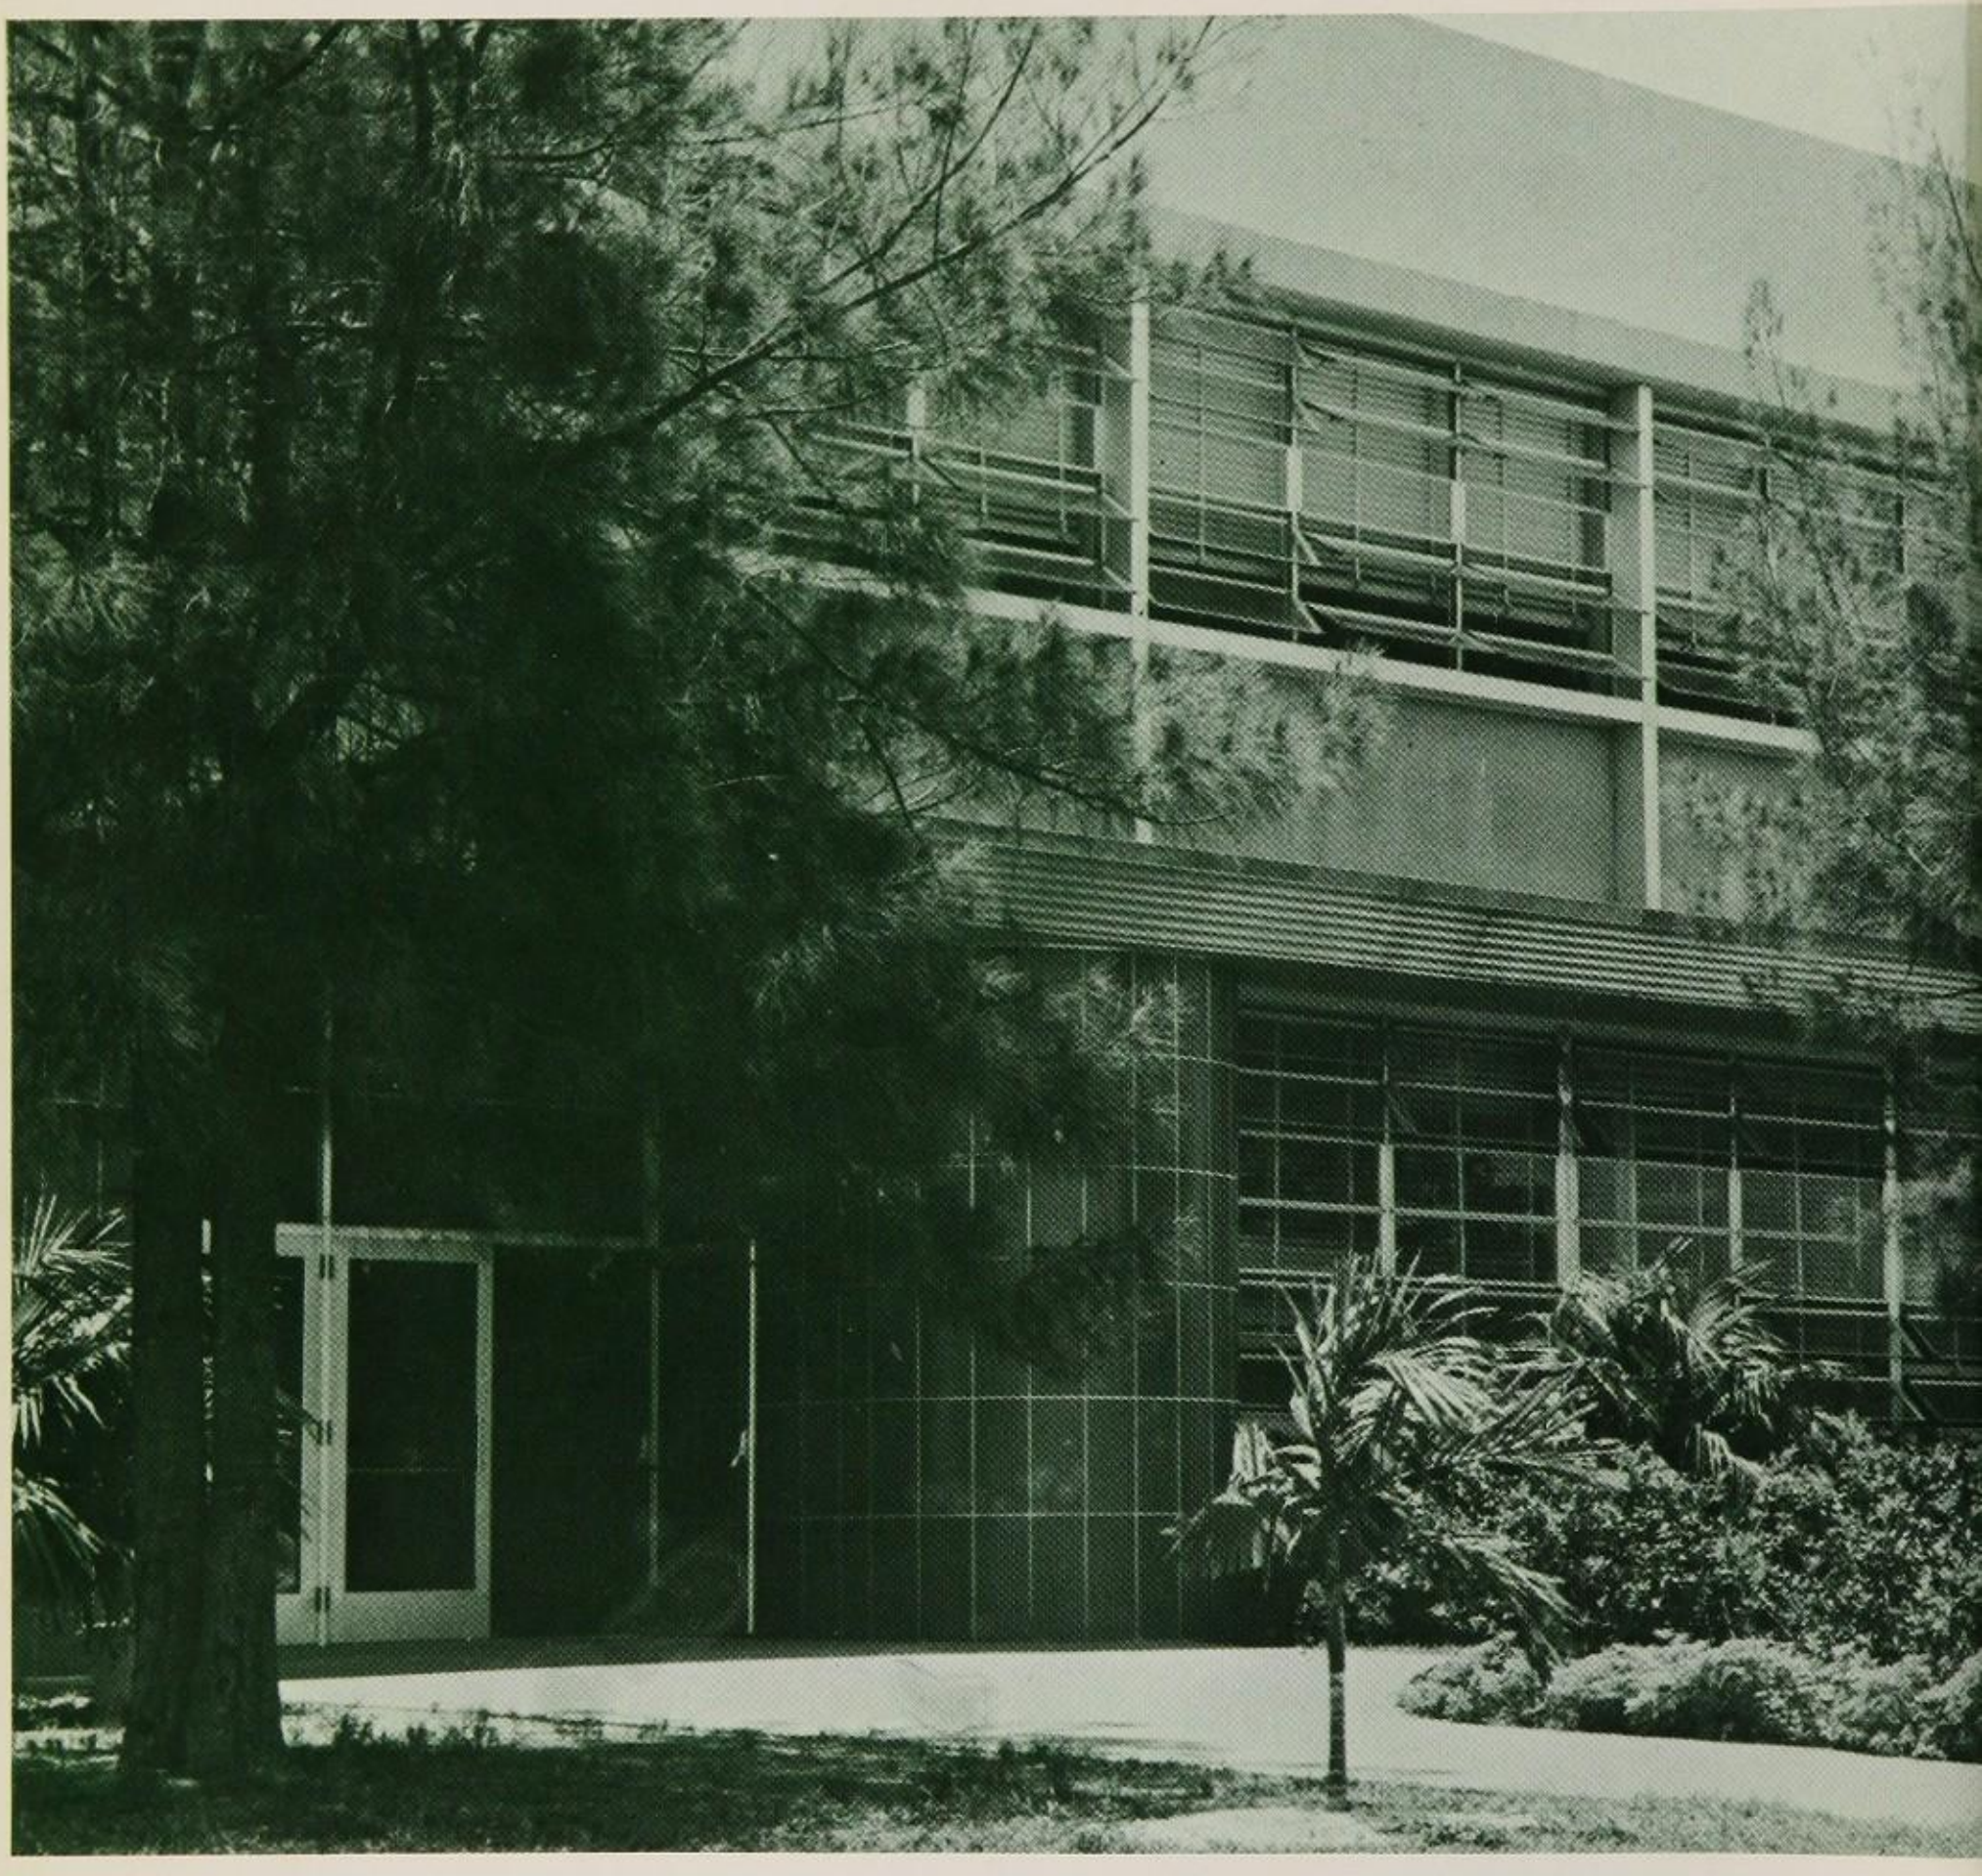
May this book, dedicated to him as he lived, be a living dedication eternally.

# Dedication

It is in deepest gratitude that we dedicate this North Miami Conestoga to a person with strong character, intelligence, and the ability to understand and help his fellow man. He has done his utmost to make North Miami Senior High School, one of the top schools in the state of Florida. We the annual staff, wish to dedicate this, the 1959 Conestoga, to Mr. Paul A. Davison, Principal of North Miami Senior High School.

Paul A. Davison

Mr. Paul Davison comes in contact with most of the student body during every school day. He is pleasant and cooperative to everyone he meets or works with at school.



Progress, Enthusiasm, and Success are the keynotes of the future. The North Miami High School Conestoga expresses the modern and new ideas of the 1959 school year. Our teachers and

students have revealed enthusiasm and cooperation in promoting the eventual realization of these goals. Progress! Enthusiasm! Success!

For six years, the class of '59 has inhabited N.M.H., and for six years the class of '59 has been a model of cooperation and achievement.

In setting tradition, the class of '59 introduced the first senior trip, began the practice of completely unchaperoned senior meetings, brought on the idea of the surprise theme for the Junior-Senior Prom, and greatly extended senior class privileges.

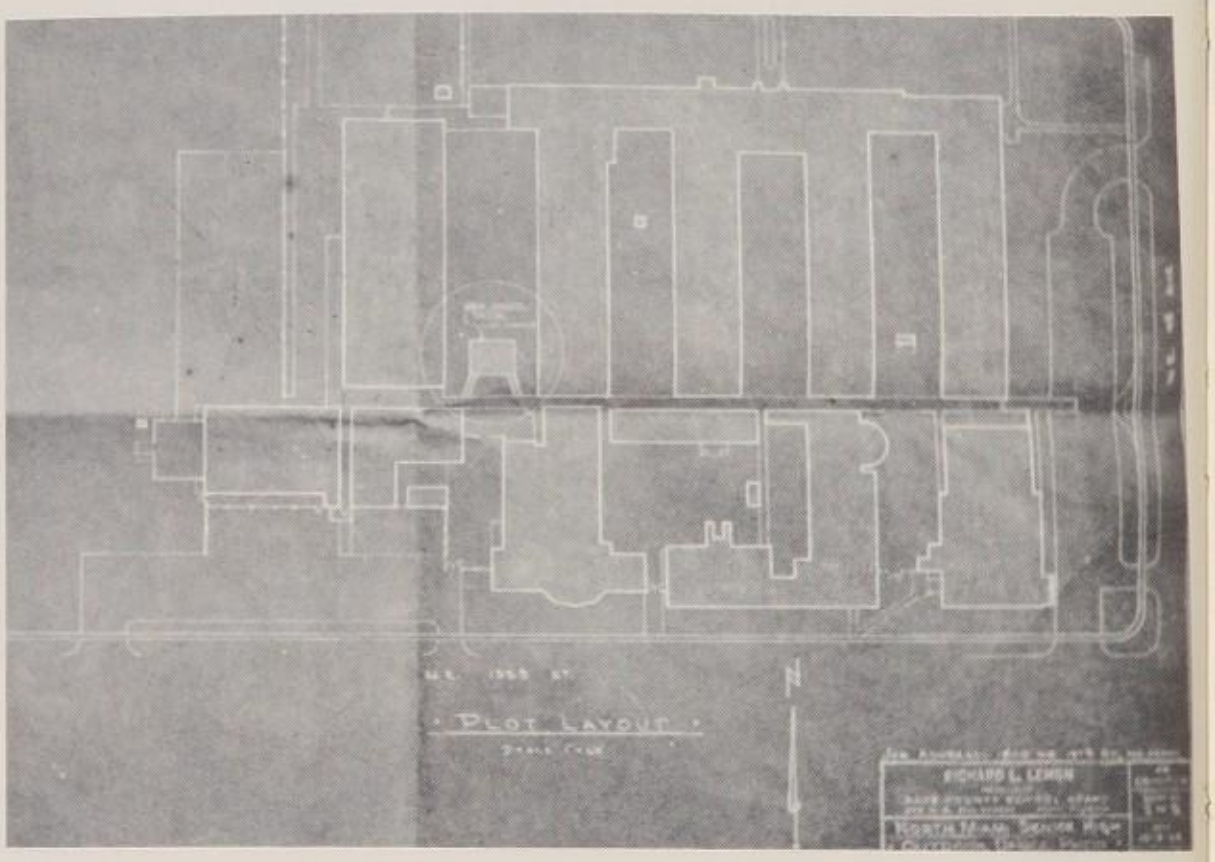
In following through with the traditional ideas, the class produced two proms; conducted its talent night, and class plays and banquet; and sponsored its work day, all with the utmost success.

The North Miami High dance patio, the first class time capsule, and the first class magazine drive were the class of '59's new idea contributions.

These projects, and the maturity with which these projects were carried out, form the everlasting mark, left by the class of '59 on Nor Mi Hi.

# Senior Project

The final plans drawn up, work begins.



These plans show the position and the size of patio in relation to the school.

The boys worked hard digging out the grass and laying the foundation, while the girls did their part by fixing lunch.

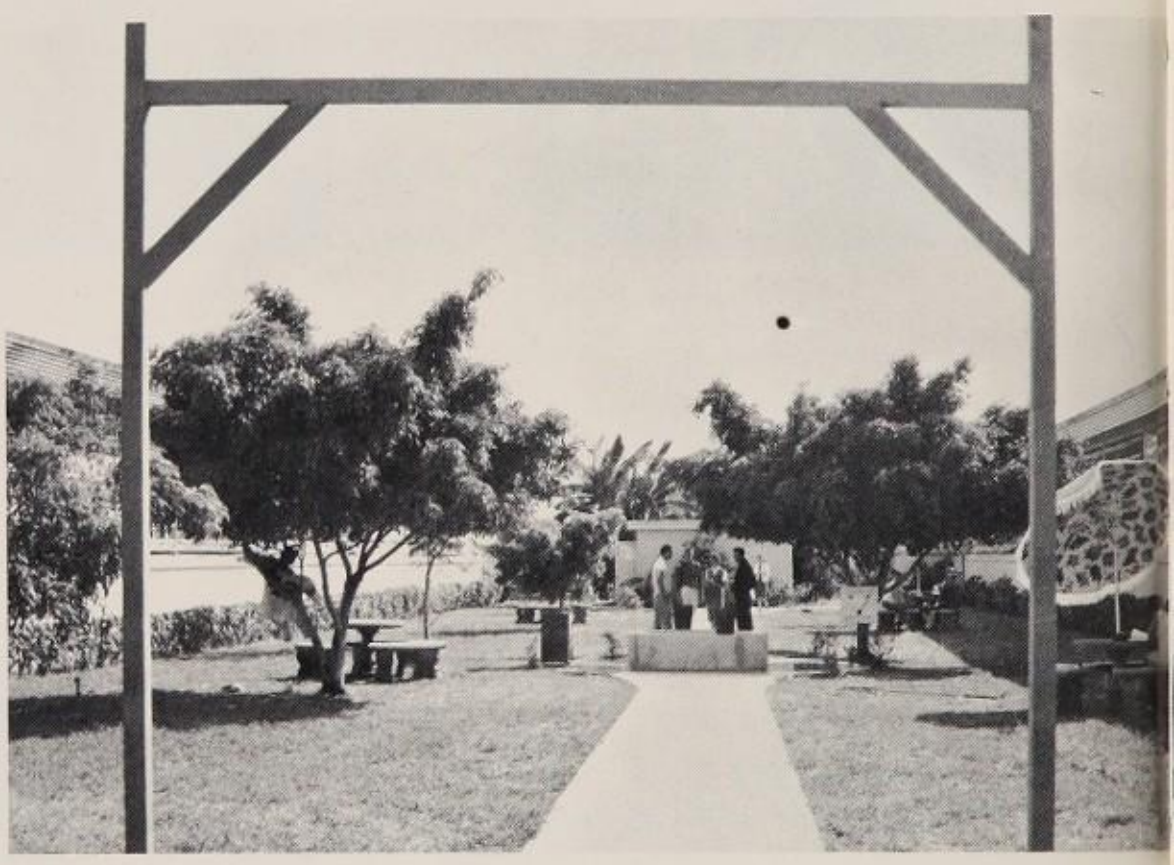
A typical study period where all seniors gather to hear the latest news. It looks as if Steve Nesselrote must have heard something interesting.



The seniors started a new tradition by decorating the walk for homecoming.

Cleaning the pool was among the duties excepted along with the privilege of the senior walk.

The class of 59, as one of its projects, sponsored a successful work day at Your Pharmacy on 125th Street.

The senior class selected this method of informing the school of its new motto — God First, Others Second, Ourselves Third; colors — powder blue and white; flowers — the white rose; and song — You'll Never Walk Alone. Remembering this will always bring memories of their senior year at North Miami High.

The seniors started off a busy year by obtaining petitions for offices in the class.

# Seniors

Hold the cake higher boys! Tom Roller and Marty Hines have a senior cake in their hands for the senior skip day. Don't lick the cake Anne! watch it Robina!

One, Two, Three, and there goes Robina up in the air for fun. Boy look at Bob Feely's face, he is really getting a kick out of this.

Looks like the pyramid is finally built. What's the matter Bob Rehr is the load too heavy for you? That expression beats any!

Seniors try to build a pyramid but success looks hopeless. Gordon Branch looks like he has succeeded as hope man.

At senior class skip day, Robina Romaquera gives a spin to the hula hoop. Look at those hips, legs, and arms move!

It looks like Barbara Kemp, Darelene Stahl, Robina Romaquera, and Barbara Patten had a little too much coke to drink.

Memories are made of this. Mirth and Merriment prevail at Banquet.

"And now the
memory is
theirs alone
to share."

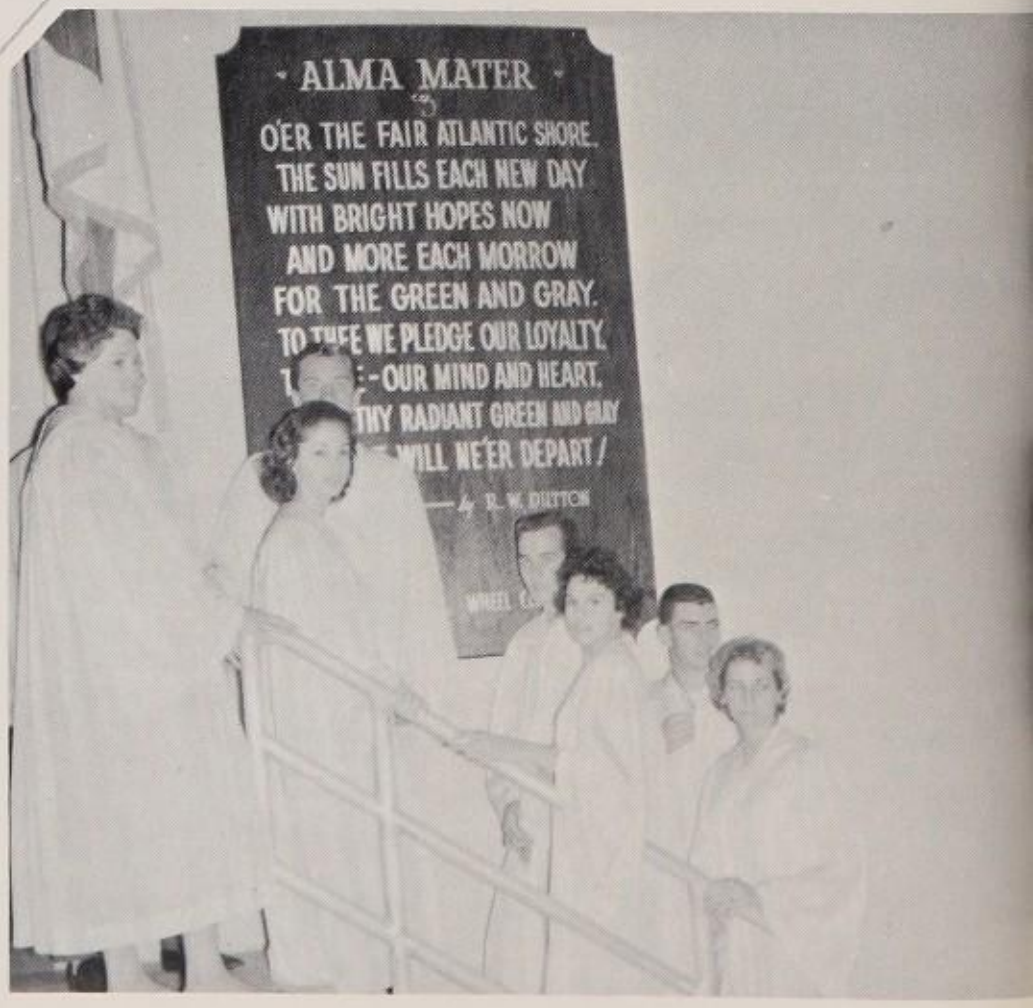
Will they
ever
forget?

"The night to remember"
Is it really here, in the
form of our dream come
true?

"Let's sit this one out"

"We could have danced
all night"????????

From the first days of high school, pep rallies, football games, and homecoming; through the many sock hops and formal dances; through the basketball season, swimming and track, through club meetings, projects and elections; through senior pictures, cards, announcements and invitations, through discussions on the Senior Walk, and Senior class assemblies, up to the Senior Banquet, Prom, and Breakfast, through graduation rehearsal, and finally graduation itself, The Class of '59 can look back on the history with pride. Make the fruit of knowledge be your stem, Faith be your guide and bud and success be your blossom.



· ALMA MATER ·
O'ER THE FAIR ATLANTIC SHORE.
THE SUN FILLS EACH NEW DAY
WITH BRIGHT HOPES NOW
AND MORE EACH MORROW
FOR THE GREEN AND GRAY.
TO THEE WE PLEDGE OUR LOYALTY.
-OUR MIND AND HEART.
THY RADIANT GREEN AND GRAY
WILL NE'ER DEPART!

# Calendar

Carol Proscia and Helen Hof bury Freddie Hoedle in the sand on a typical day at the beach.

Well, it looks like Bobby Feely is getting up in the world, and the gang meets at the beach.

# September . . .

"His Ozark Cousins" was enjoyed by all who came. The unusual type of humor rocked the audience and it will never be forgotten.

September ushers in the school year with Drama's presentation of "His Ozark Cousins," the football games, the dances and pep rallies. With the coming of the school year, the Seniors have to give up their lazy days at the beach and resume back to the classes. The Senior Section of the cafeteria and the Senior Walk were immediately taken advantage of by the incoming Senior Class.

September is a very colorful month with the Student Council color days, and the start of the "58" football season.

The Pioneer Band added to the merriment with the best band ever at North Miami High School.

The Senior Walk — A Senior's Paradise.

Bill Baxley and Martha Lawton take advantage of the Senior Section of the Cafeteria.

# Ushers . . .

The Pep rallies — they were wonderful.

Patti Stevens relaxes on the Senior Walk.

Pioneer Ricky Willer lunges through to score a point for the team.

# In.

Some of our veteran football players take it easy after football season.

Muzzle those Bulldogs yell the North Miami Cheerleaders at one of our spirited pep rallies.

Barbara Patten, October's calendar girl, takes a stroll on the Senior Walk.

These chaps did a fine job of entertaining at one of the P.T.A. meetings.

# October . . .

October — Forensic Follies heads the list of activities for this month. The football games really add spice to the year, but on a more somber note, the grading time comes around, and there are many mix-ups with grades and many changes to be made. Everyone flocks into the Guidance Offices for a schedule change.

The Honor Garde, the Band, the Majorettes and all who made the trip to Key West enjoyed themselves thoroughly. Ask any Garde member who came back with the sailor hats. As for the game, the Pioneers played a good game and if it weren't for the field goal made by the Conch's Buddy Owen, we would have won.

The trip to Key West and the football game will be a long remembered event for North Miami.

Wah-hey — Wah-hey — Give 'em a five, say our football team?? Sorrota Service Club won first Honors with their fun making of the I.B.M. Machine.

Spit it out!! Spit it out!! shouts exasperated Sandy DeLuca.

# Frolics By.

They're big, they're beautiful and they proved it at Forensic Follies.

Key Club gave a wonderful performance with the theme of The Vikings. They were awarded second place.

Harriet Geller, November calendar girl, catches up on some of her last minute studying.

The class of 60 put on a very fine play, which made everyone proud of our Junior Class.

# November . . .

We can be proud of Wheel Club and their Thanksgiving Baskets.

November was a wonderful month. It was highlighted by the Homecoming Queen and her court, the Parade, the many beautiful floats, and our Homecoming game. Other important events included Wheel Club's annual Thanksgiving Baskets, which is a wonderful tribute to our school, and the Junior Class Play.

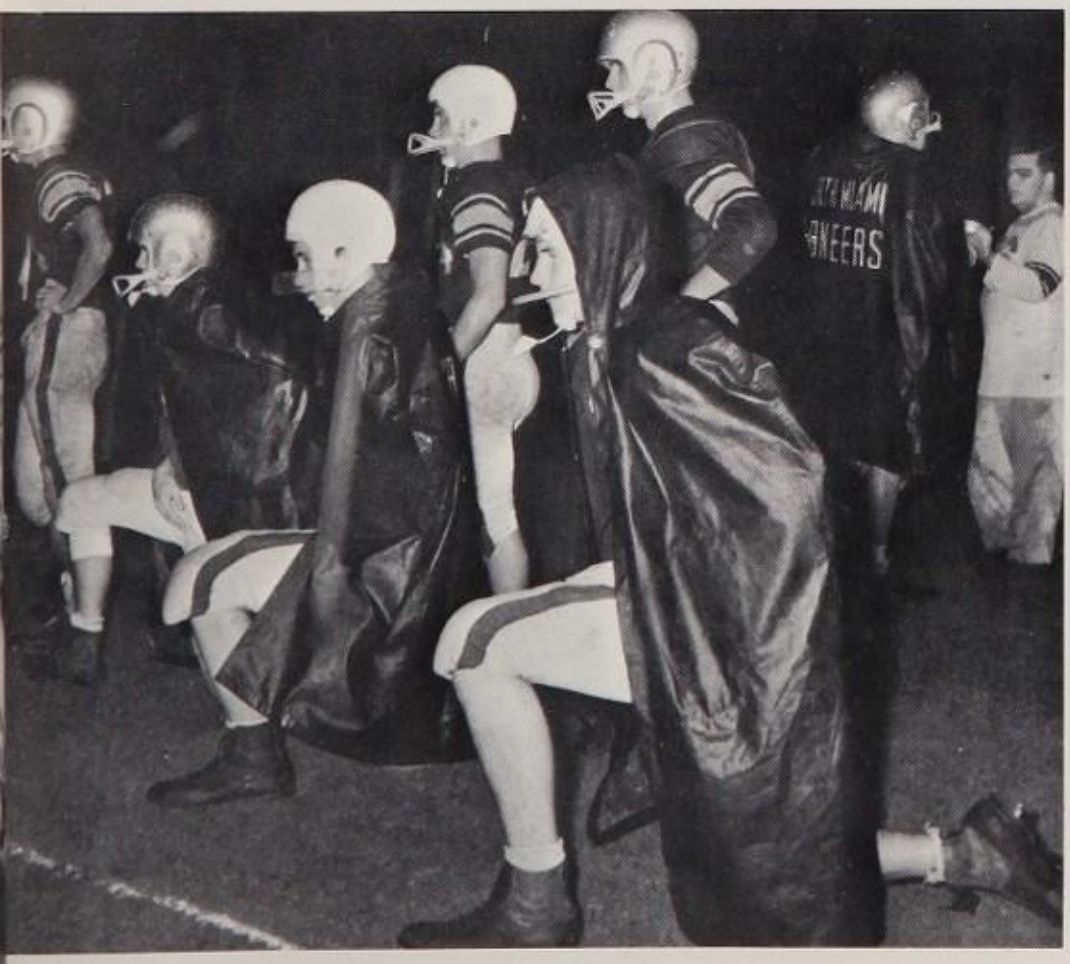
Yes, November totalled up to be a month full of activity.

As Barbara Grubb was announced Homecoming Queen, you need only look at her expression to see her delight.

All the floats for Homecoming were a splendid sight to see. The Choral department won the honors of first place with their theme of "Winter Wonderland." Homecoming for "58" was as fine as any other.

# Queens and Things.

This shot was taken at the last game of the "58" football season. North Miami just couldn't seem to make the points as it rained and rained and rained!!!



The spirit of Homecoming even affected the Senior Walk. It was decorated in a most unusual way.

# December Is the . . .

Sorrota girls work hard on their Christmas toy drive.

The many parties in December keep the holiday spirited with joy. This picture was taken at the Honor Garde Christmas Party. Hey!! Where are all the boys?

Honoria heads the College Night at North Miami. Orchids to the teachers.

Janele Lane, December's calendar girl, awaits her date for the Ball.

# Month of Festivities.

My goodness Bill, are you asking her to dance or to marry you? What a ball.

The December Holiday season enters North Miami High with the Christmas Ball as the main event. Mistletoe added to all the merriment. With dance preparations, toy drives, and Twerp Week, December is one of the fullest months of the school year.

The Christmas Ball at the Fontainebleau will be another never-forgotten event at North Miami.

Everyone was glad to get off for the holidays for a long needed rest.

And then back to school.

As the picture shows, the Ball was a great success.

Junior Class Talent Night was a lot of fun and a huge success.

Mid Semester Exams didn't seem to bother some students. Some of us just slept through them. Fail now, avoid the June rush seems to be the motto.

# January Styles

Baxley shows the form that helped us win those games.

Looks like Lorna Linhart just discovered a rare specimen in that tree. She is January's Calendar girl and Sweetheart of Majorettes.

Bobbie Paradan models the latest in bathing suits, at the Sorrota Fashion Show.

Pat Neeley and Edwina Thorton look very cute together in their smart clothes.

# and Stuff

Grouped here are some of the Sorrota and Wheel Club members. They all looked grand in the annual Sorrota Fashion Show.

January entails numerous New Year's parties, new cars, and seasonal basketball games that make returning to school after the Christmas Holidays more bearable. Everyone is enthused at the prospect of starting again; and definite self-improved is declared.

The month is highlighted with Sorrota Fashion Show, the Junior Class Talent Night, and the many basketball games.

With half the school year over, everyone is anticipating June and graduation for the senior.

The basketball games are still in full swing. Our team proved to be a fine asset to North Miami High.

Joan Chewning, another one of our calendar girls, doesn't seem to be too excited about it as she calmly eats her lollipop. Hey Joan, what flavor is it?

# February . . . Fun

Barbara Coleman is Sub Deb's Sweetheart, and is a very fine one at that. Here she poses on the Senior Walk for the staff photographers.

Hi-Jinx starts February on a fresh start. It is the annual talent show presented by the Choral Department. This year's show was bigger and better than ever before, and the End Men seemed to be funnier than ever. This presentation is one of the favorite of all North Miami High students. Everyone looks forward to it every year.

February also brings us Brotherhood week in which we all do our best to be nice to others, especially Wheel Club who sponsored it at Nor Mi.

February is just another month that goes by too quickly to bring the school year to an end.

These cats aren't really in disguise, it's just Senior Shade day. Guess who???

## and Frolics.

This was the first year to have a Leaders' Banquet at North Miami High, and it proved to be a huge success.

The Swimming team gets in practice for their oncoming season.

Barbara Grubb, March's calendar girl, poses on the Senior Walk. What are you doing Barbara? Weeding around the campus?

# March Brings a . . .

A lot of work goes into the makings of a swim team. A little bit of fun too it seems.

With the coming of March, the swimming team gets organized for the season. This year the "Ducks" have lost many valuable swimmers, but also gained many new ones which will make for a very promising year.

With the start of baseball and track it gives a fresh interest to the Pioneers who are sports minded.

Track members look very promising this year and it is hoped that with a lot of work, they will be able to break the records made by Kenny Chandler and others.

Easter vacation is next and what a welcome event for all of us who have Spring Fever.

Charlie Murdock came to our dance and gave away a record album.

Hey, you guys, are you trying to get the privilege of the Senior Walk taken away from us. Play it cool and hang loose.

# Twirl of Events.

Mr. Albaum amuses one of his classes with some bright sayings and dew drops of wisdom.

Seniors take a break on the Senior Walk. You would think it was fun or something.

Pam Hepp (the Hepper) steals money out of the fish pond on the Senior Walk. Pamela is April's Calendar girl.

Who knows what Dick Carpentier is trying to prove, but it's an amusing picture anyway.

# April Showers

These modern boys must be shopping for their modern family classes. Be careful boys. Don't buy too much.

April hosts the Civenette's dance, and the Honor Garde Moonlight Sail. April is a busy month with the preparation of Foreign Student Week. Beta did a fine job of organizing and planning our Foreign Student Program and all went well.

The class of "60" has a swim dance, which was a huge success and was enjoyed by all who attended.

All the Seniors now officially have Seniorittus as graduation comes closer and closer.

TRASH

Here are a group of seniors entering into the banquet, one of the most memorable events of the school year.

# Bring

What shall we eat?

Harriet Geller, Steve Williams, Bruce Tyrrel, Carol Cherry, Ruth Loew, and Bob Hayden can't make up their minds what to eat at the 1959 senior banquet. All the seniors had a wonderful time at the banquet and hope that next year's seniors will have as nice a time as they did.

A good time was had by all at the 1959 senior prom.

Bonnie Bishop is all ready for senior prom.

# May

After the banquet the seniors go to the prom and dance the evening through. This is one of the memorable events of the school year, each and every senior waits for the night of the senior prom.

What interesting bathing suits? Ho! there's Gordon Branch going into the air as seniors hold blanket. Who's next?

# Flowers

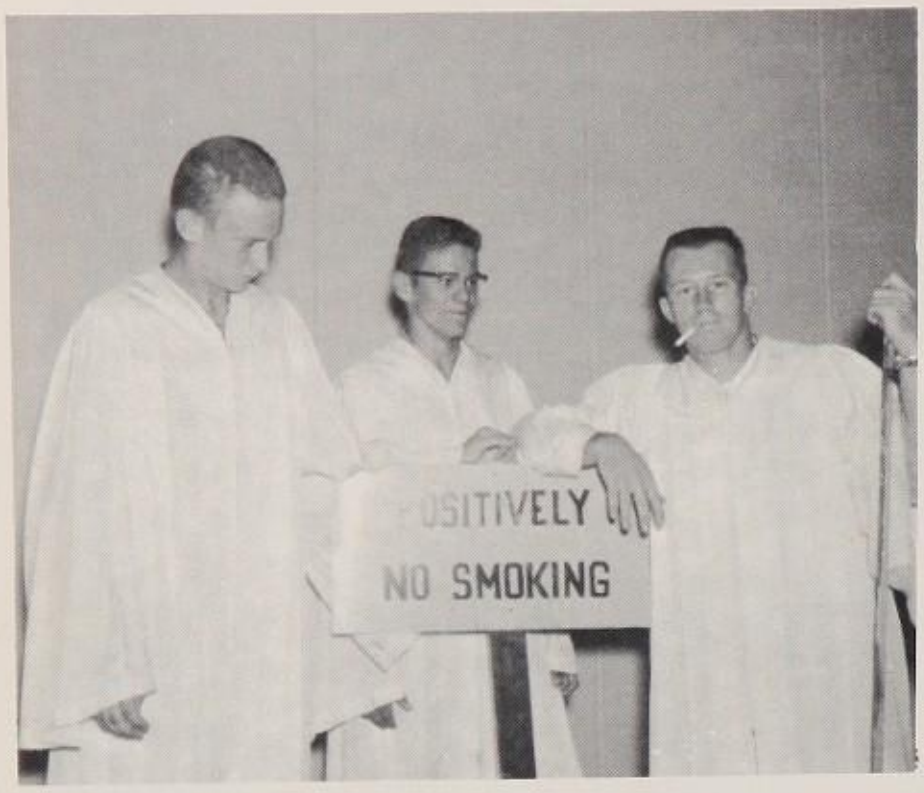
Everybody's doing the Hulahoop, even Pat Hansen, Key Club calendar girl for May.

At the senior picnic, seniors try to make a pyramid, but with no success.

Here is Sandy Deluca, Bob Loos, Bill Boyer, Linda Falk, and Jim Stall at the graduation practice talking over plans for the future.

# June Brings

Sue Dickenson, Linda Falk, and Sandy De Luca are very happy after the Graduation because now the future is their prayer and guiding light. They are happy in one way, but sad in another. They will be leaving North Miami High, its activities, its dances and its classrooms. Seniors, the future is yours, make the most of it from what you learned at North Miami High.



Jim Stall said, "What's the matter with you, Bill, can't you read?" Bill said, "I've graduated, haven't I?"

This senior looks happy after graduation.

# Happiness

Senior boys and girls have a gay time at the senior picnic. The boys are admiring the girls' legs. Happy day for all seniors. "Skip day for school is fun," said Bob Feely one of the five boys (second from the left).

# Sirena Helps CP

Did you expect the meeting in a pool?

Last year, the girls' swim team of North Miami organized the Sirena's — French for mermaid — as an interest club for swimming. It was formed to create interest in and support for our swim team, as well as to raise funds for our various swim teams and anyone who is exceptionally interested in swimming.

One of the many services these girls perform throughout the year is the collection of money for the Cerebral Palsy Association, through which they become interested in teaching CP patients how to swim.

Sirena girls are pledged to stimulate and formulate interest and service for the varsity swim team, to promote good will between the student body, and to exemplify the sportsmanship of their school at all competitive events.

# F. N. A. Visits Hospitals, Health Centers

The Future Nurses' Club plays an important part in helping its members choose their career. Through visits to hospitals, colleges and health centers, and through speakers and literature, the club tries to help its members choose one of the many fields of nursing.

Under the direction of Miss Beman, school nurse, the members are kept busy with many projects. By having bake sales, candy sales and a dance, funds are added to the club treasury. The money is put to good use by sending two members to State Convention, and contributing to the school library for the purchase of books about nursing.

Meetings are highlighted by a speaker, either a guest or from the group itself.

In the biology lab, Sherry Mayo, Fred Meines, Dale Gustin and Sue Altman work with white rats.

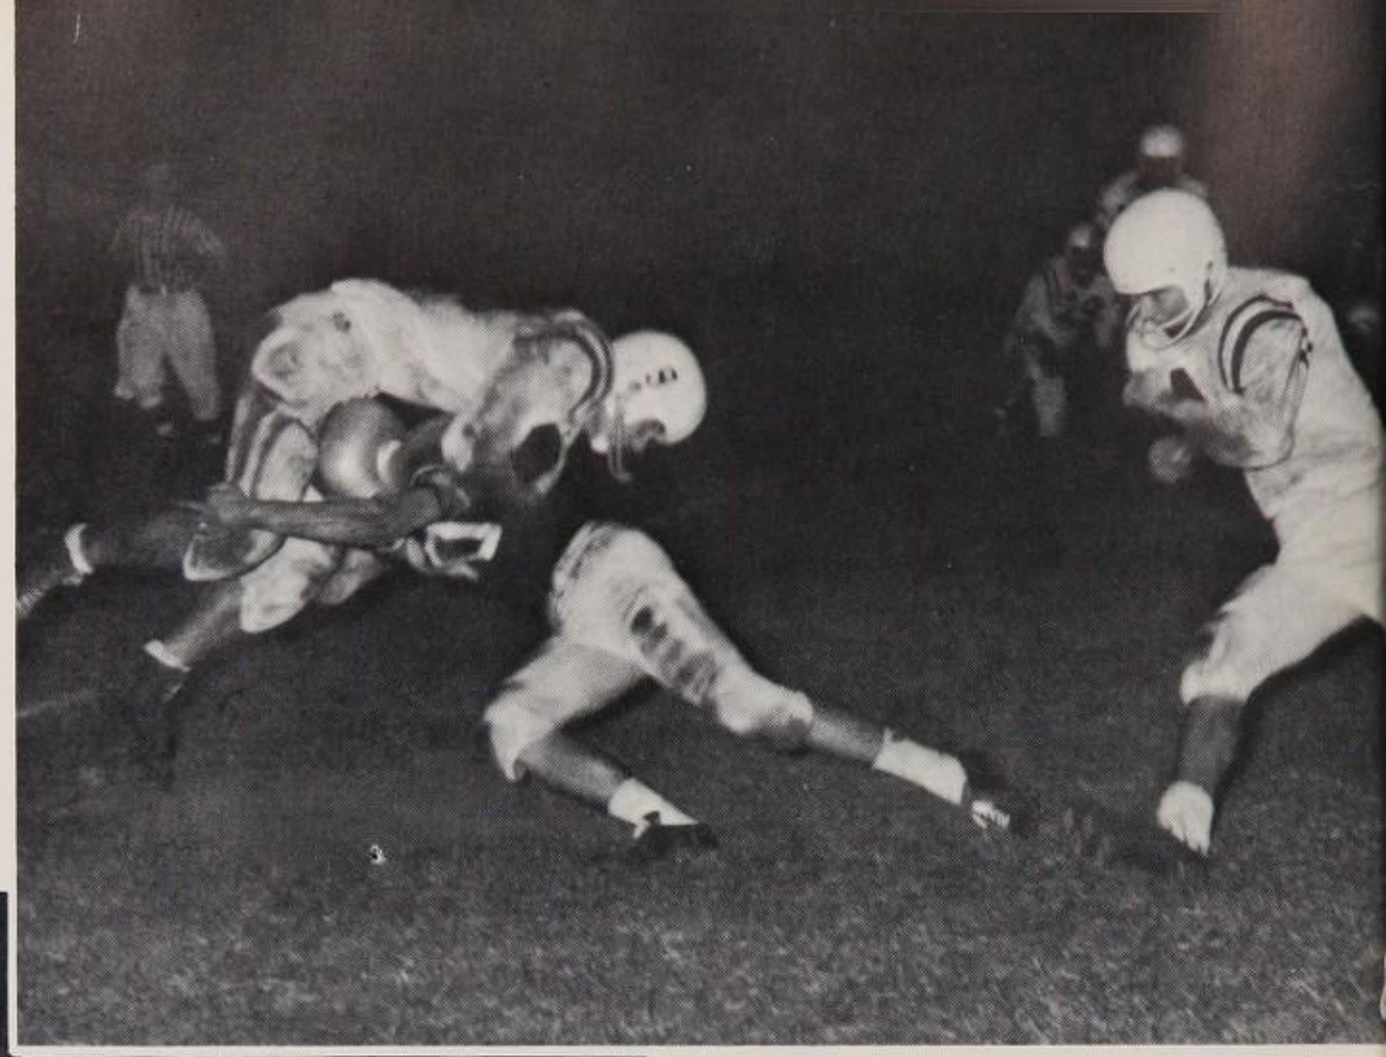
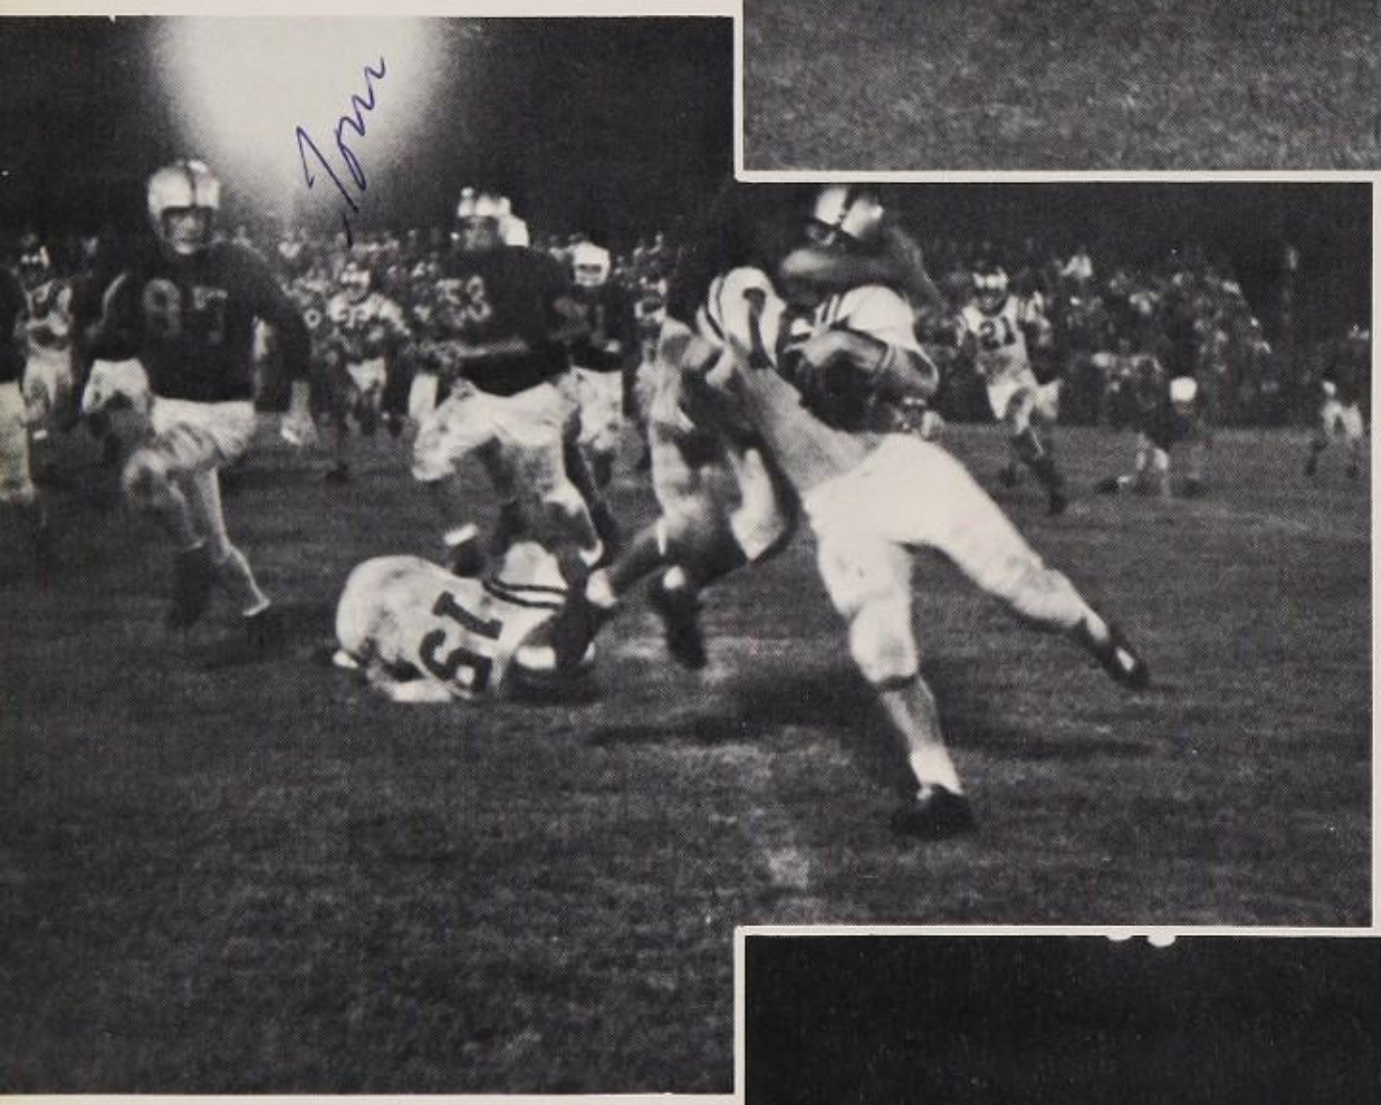
*SOUTHWEST SPOILS OPENER 13—6*

In the kickoff game with Southwest Eagles, the Pioneers greatly plagued by offside penalties, finished the first game of their prospective great season with a disappointing 13—6 defeat.





*PIONEERS ROCK REBELS 19—6*

In a game highlighted by long runs and jarring tackles, Nor Mi Hi upended the South Dade Rebels by a 19—6 count.

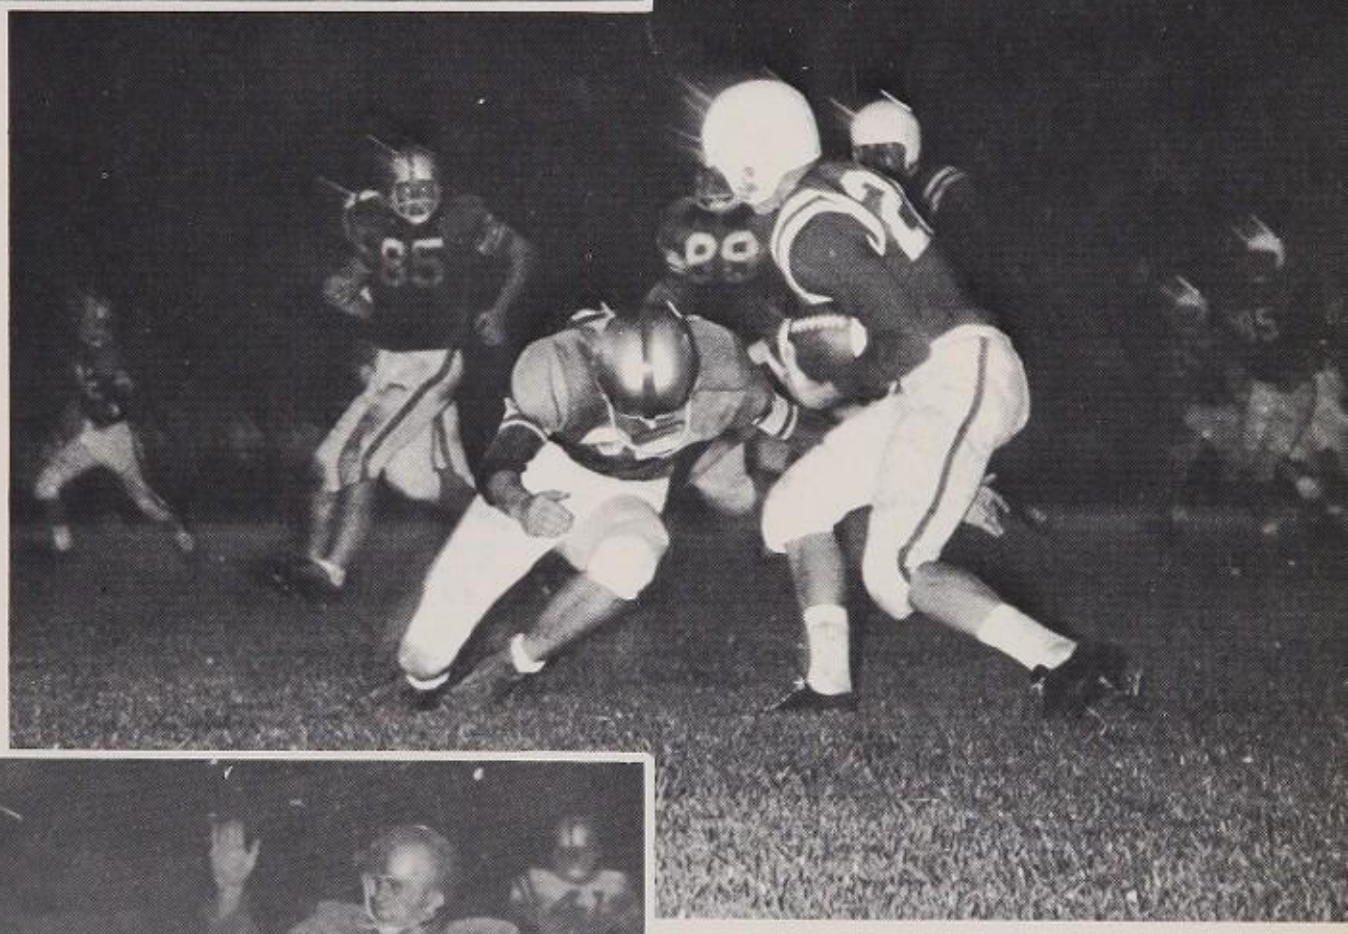
*WRIGHT SLIPS BY PIONEERS 6—0*

The Pioneers could not take advantage of three penetrations into Broward territory, as neither team could score. As the fourth quarter opened, the Bulldogs' Alan Wright literally broke the game open at the seams, with a dazzling 65 yard run.

Except for a fine defensive line the Pioneers have shown of their supposedly greatness predicting by the sports-writers. The chief example of the ability to move the ball is shown in the statistics of the Pioneer 7—0 victory over Central Catholic Saturday Night.

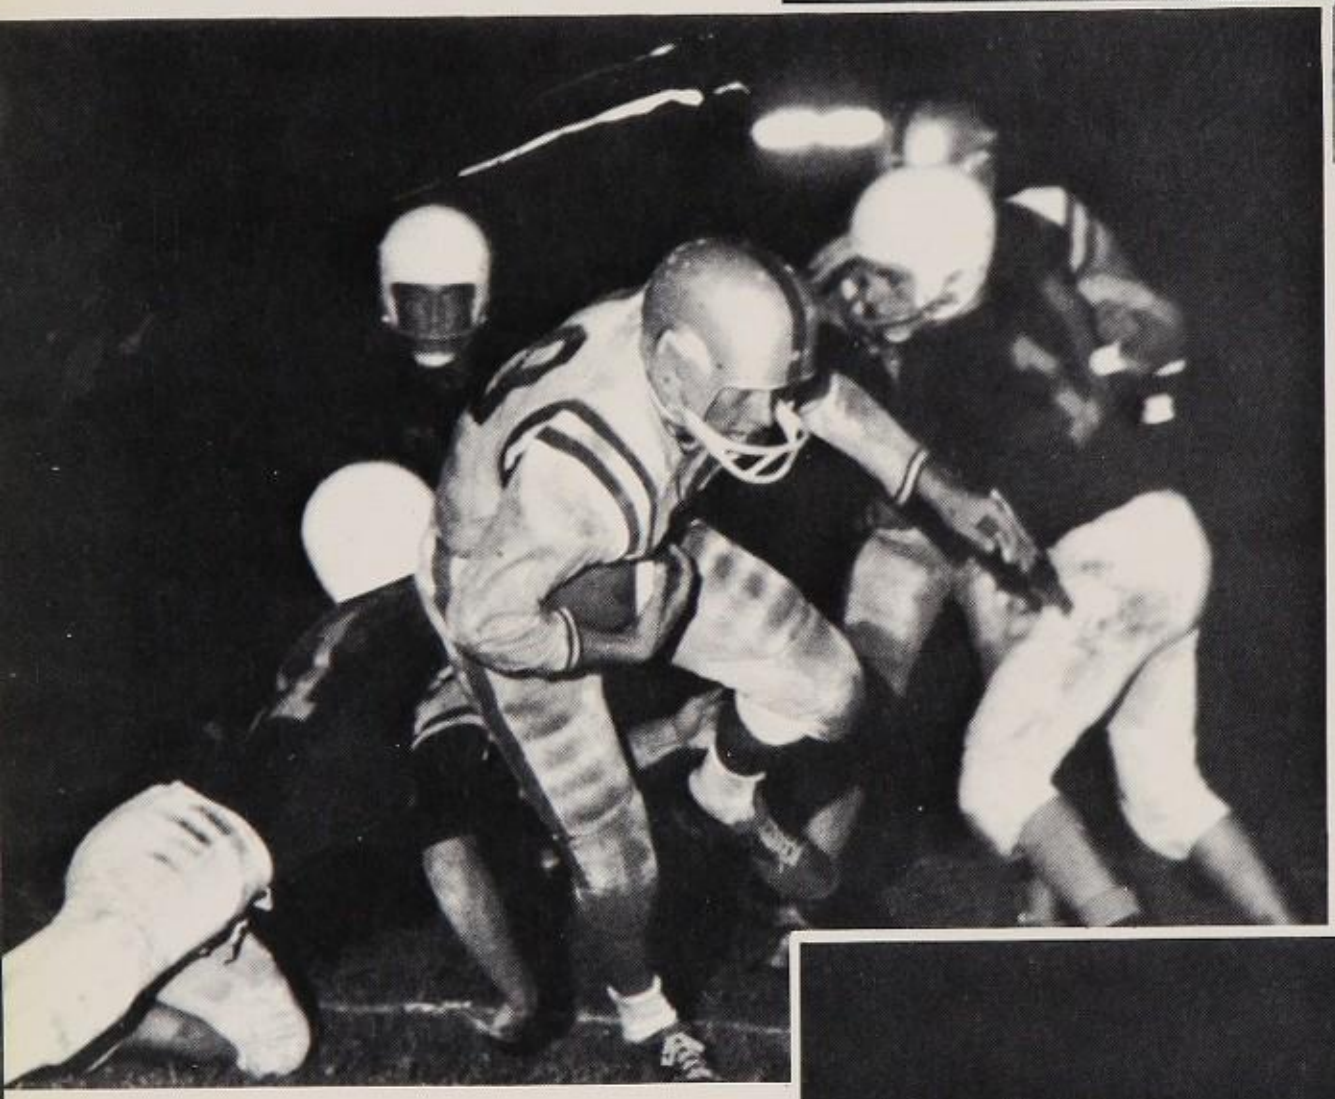
*KEY WEST SLIPS BY PIONEERS 10—6*

A favored Key West unit came from behind to gain a victory over North Miami's 11. The Pioneers only four minutes from victory collapsed on one play a fifty yard pass from quarterback Mira to end Calvin Harris leaving the ball on the Pioneer 10 yard line. Two plays later Key West scored and Buddy Owen converted to top the final score 10—6.



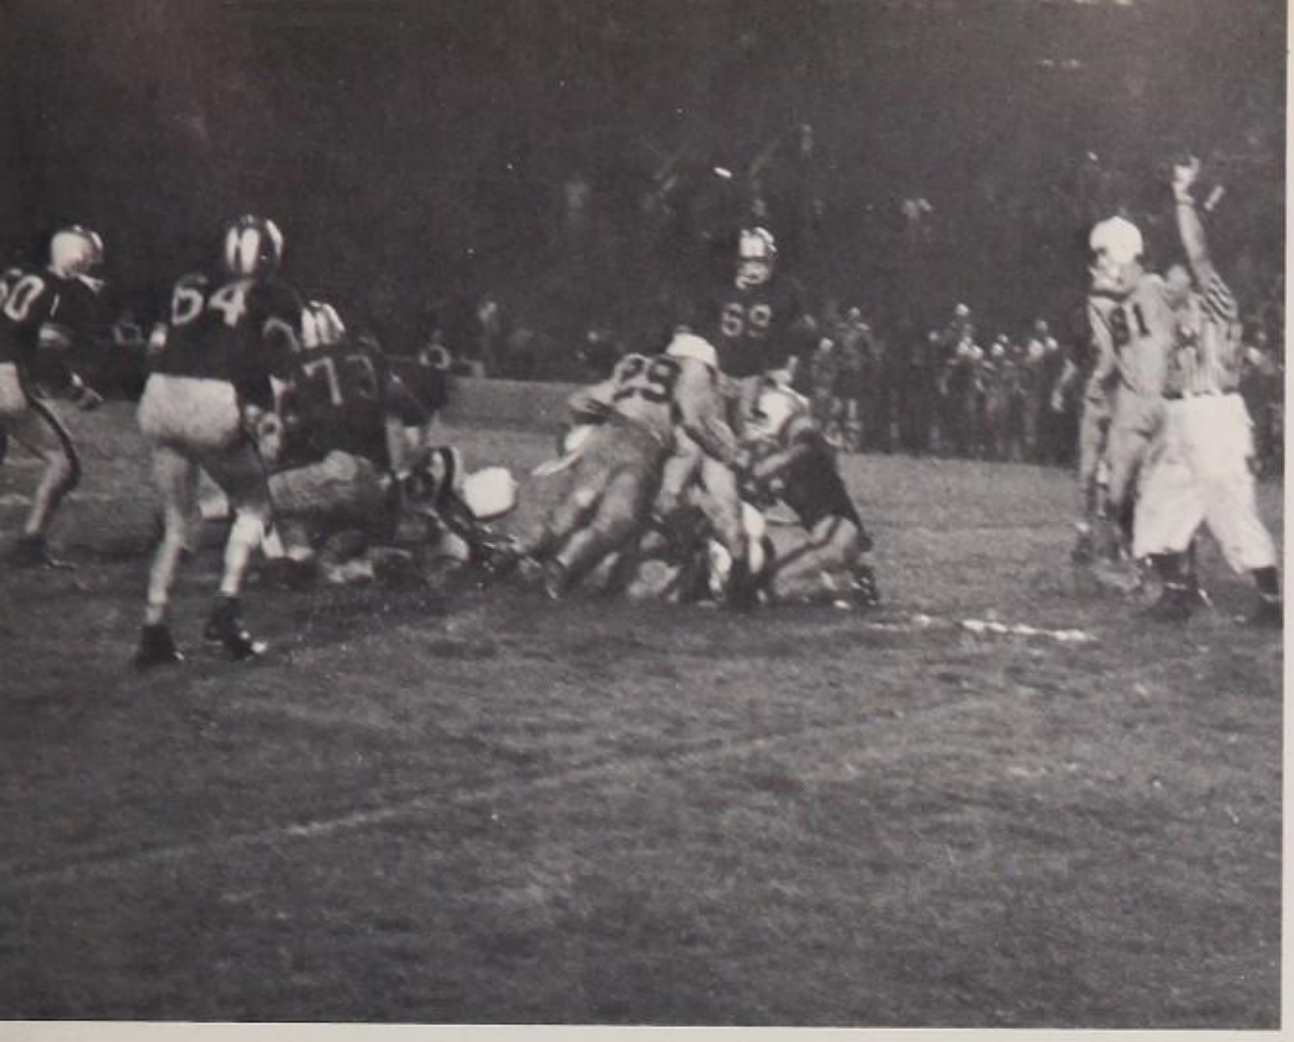
The North Miami Pioneers for the first time this year lived up to their high pre-season rating by thoroughly trouncing the Ft. Lauderdale "Flying L's," 20—7.

North Miami squeezed past the dragons of Stranahan 13—6 on the fine quarterbacking of Sophomore Charlie Fieldus, and the fine running of fullback Tom Baxley.



North Miami had to settle for a 6—6 deadlock with a stubborn Miami Beach eleven the night of Nov. 8. Beach, playing, drew first blood by scoring in the first half. Fred Stauss shook off three would-be Pioneer defenders after accepting a Lenison aerial and burst into pay dirt for a 31 yard scoring play. The Pioneers returned the favor however when speedster Gordon, with the help of Tom Baxley, scored. The game remained tied.

A Curley Mistake cost the Pioneers a 6—0 defeat in the 58-59 homecoming game. Curley's Duffey, with a fourth down and one on the North Miami five yard line, spun to hand off to his fullback R. Marting only to find him not there. He then dashed around the completely unguarded right side of the Pioneers' line to score untouched. The kick was blocked and from then on the game remained scoreless despite several efforts to score.



The Pioneers played their final game of the '58 season in the Orange Bowl. The game and the rain both started at the sound of the whistle, and it druzzled through the second quarter. Half time found two wet teams in a zero to zero deadlock.

In the second half, the spectators could hardly see the field as the rains poured down. In the third quarter, John Turek kicked from the Pioneers 16 yard line, his punt was excellent but N.M. lost 15 yards for holding penalty. His second punt was equally as good as the first but this time N.M. was offsides. His third attempt proved fatal for the Pioneers as the punt was blocked and Hialeah recovered in the N.M.'s end zone.

North Miami's Aqua Ducks shooting for their best season have centered all their efforts on winning the State Meet. This year's team is most capable of accomplishing this feat because of the added strength and depth.

The Pioneer natators having won the Gold Coast Conference Championships for the last two consecutive years are again favored to carry away this year's crown.

Coach Howie Auer, last year's Coach of the Year, reports that this year's team is "the best ever."

Coach Auer has as much trouble getting the team mascot (Eddie) to do his laps as he does his swimmers.

Water Polo takes the place of practice as the season comes to an end.

# . . . Never A Dull Moment

Maybe it's a little crowded but team ATTEMPTS to warm up before afternoon practice!

Swimmers take time out between swimming flights to get a start on their homework.

ALMOST everyone listens to the coach!

The team yells its support as Bobbie Ericson finishes in a close race.

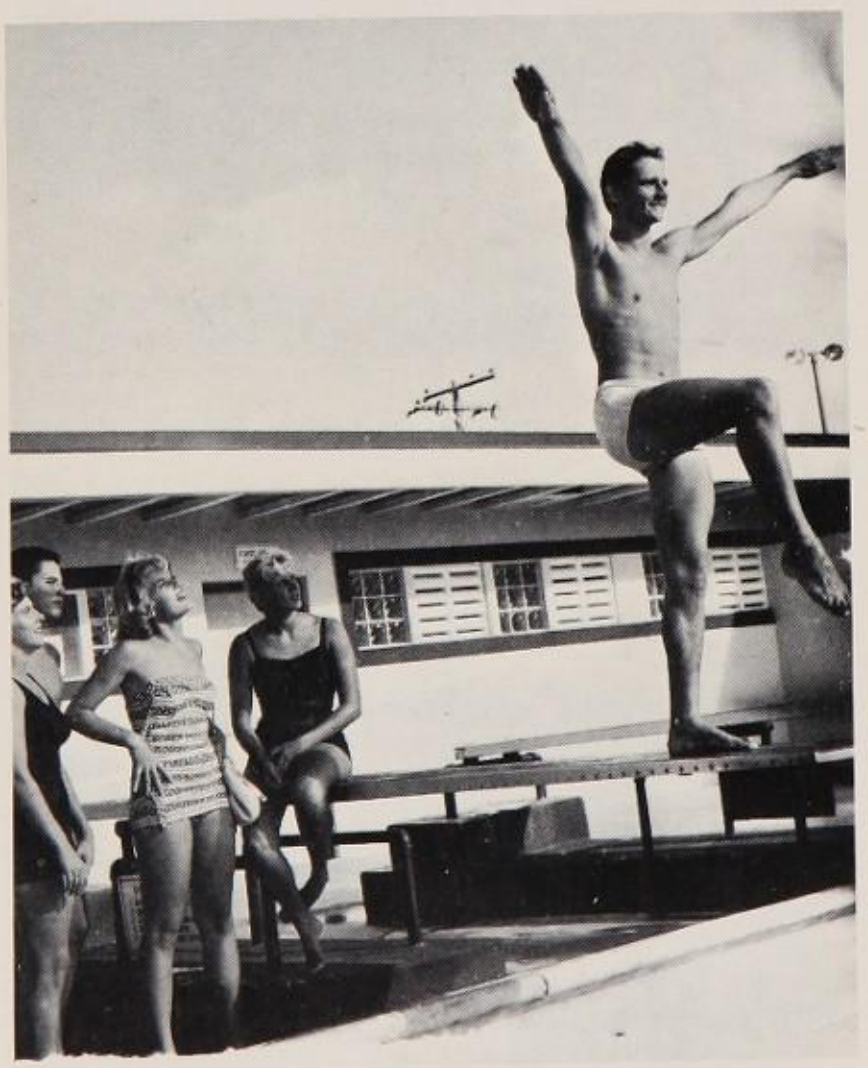
Sue Geller anxious to get off to an early start leaves Carole Chamberlain, Jo Mendicino, and Marcia Smith, on the starting blocks.

The boys' swimming flight gets off to a fast start to begin afternoon work-out.

# Mermaids and Mermen Tackle Rough Season

Sophomore record-breaking relay of Jane Rohrback, Kathy Shannon, Sue Clifford and Bonni Ranch gets a nod of approval from Coach Howie Auer.

The boys' medley relay of Ray Padovan, Jim Proctor, Jerry Chaiken, and Brent Tyrell will bring in a lot of points for the team this year.



Bruce Tyrrell demonstrates the front approach while divers Carole Chamberlain, Brent Tyrrell, Joan Chewning and Claudia Hartman look on.

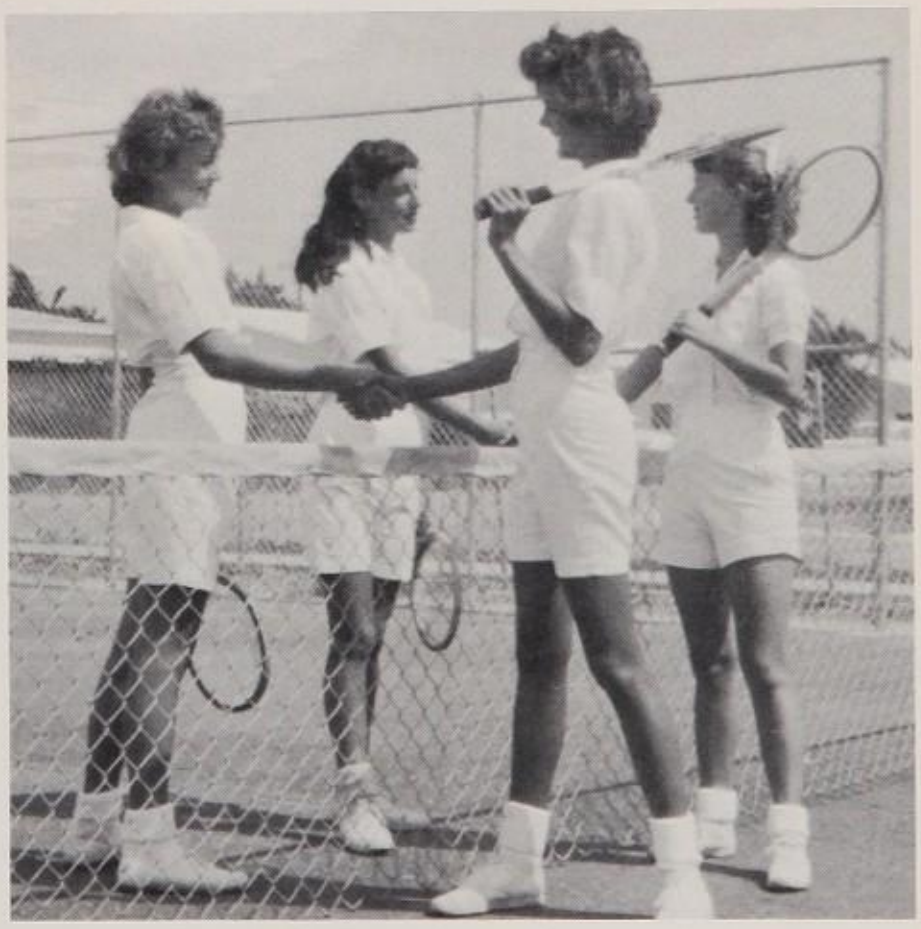
Jimmy Proctor, senior this year, shows good form in a racing start—one of the fundamental but most important parts of swimming.

# Tennis, Anyone?

The tennis team works hard so that they may attain the perfection so important in their sport. They are, *Left To Right: ROW 1,* Mellissa Solomon, Gayle Wilder, Coach Zellers, Vicki Knowland, Gay Andrews. *ROW 2,* Marilyn Bockhold, Emily Beals, Helen Kantrowich, Eleanor Stein, Sylvia Summerville.

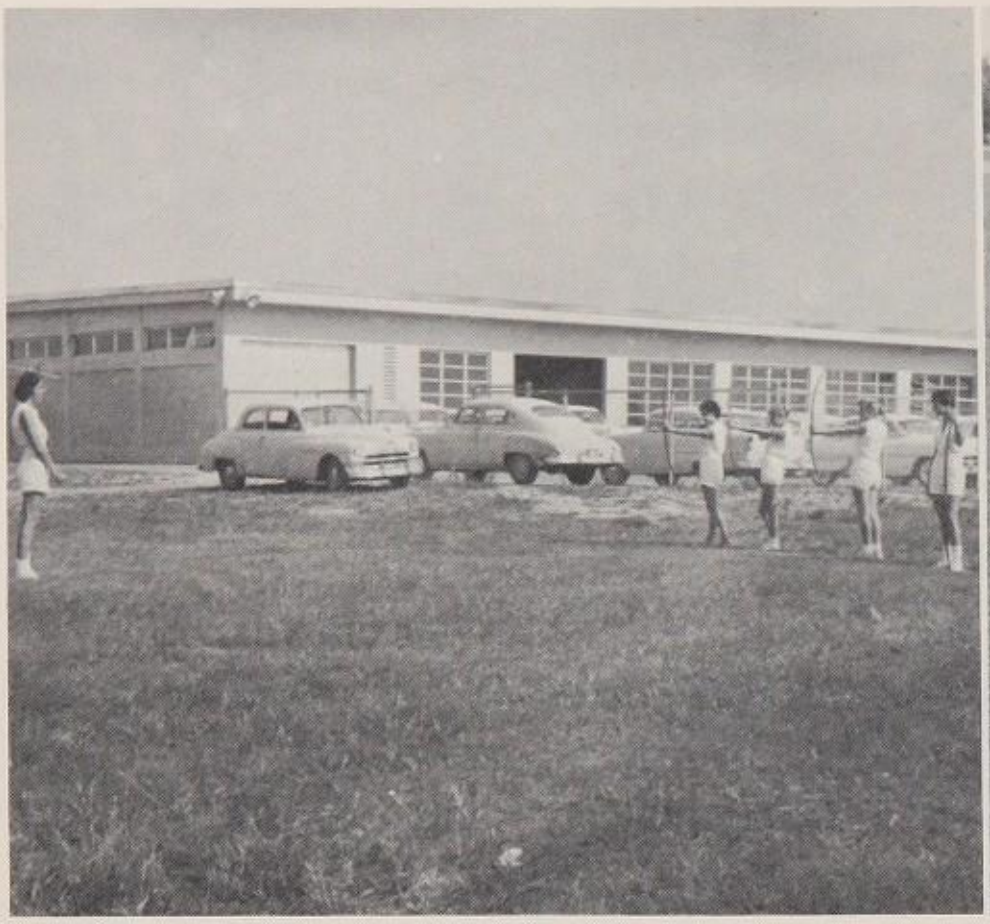
A small but enthusiastic group of girls make up this year's Tennis team. The girls have worked diligently all year to perfect their skills in the game and to have a successful season. Their coach, Bob Zellers, is proud of these racquet swinging lasses who take their game seriously yet at the same time enjoy themselves.

Coach Bob Zellers explains to Marilyn Bockhold the correct way to swing a racquet.

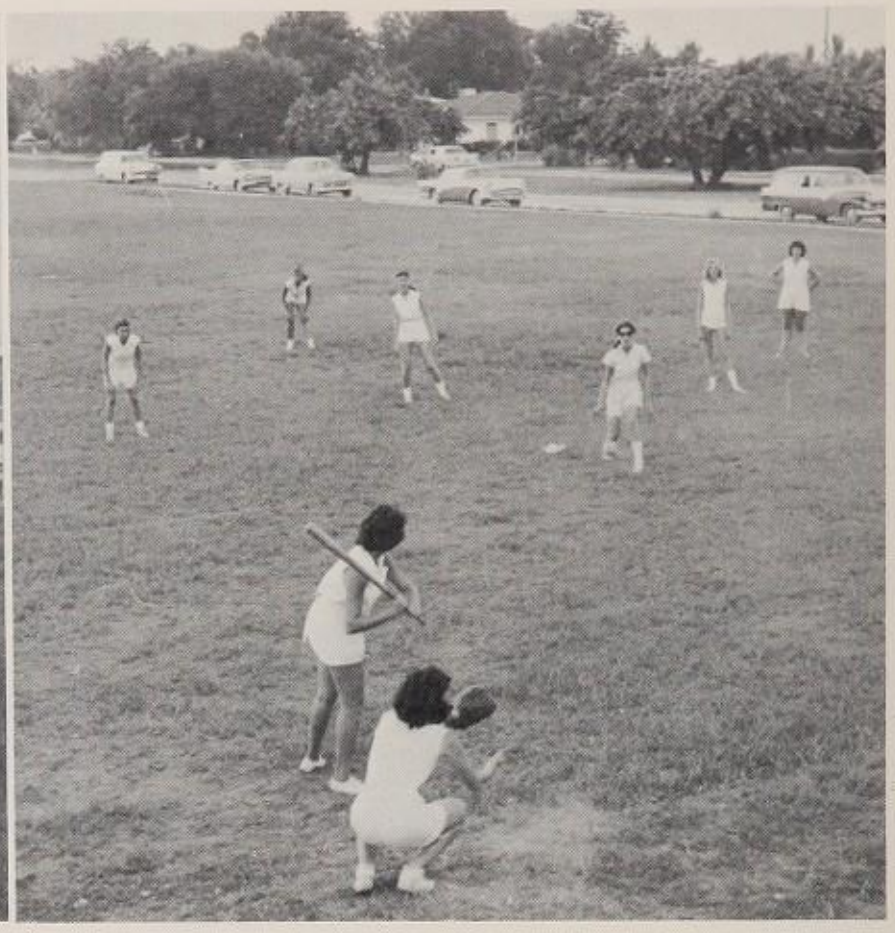


As afternoon practice comes to an end we find Gay Andrews, Mellissa Solomon, Emily Beals and Gayle Wilder ending a lively game of doubles.

# Girls' Intramurals Get Under Way



Archers Pat Murray, Carol Chamberlain, Marcia Smith, and Jo Mendicino make like William Tell and try to shoot the apple off Freddy Lewis's head.



Springtime finds the Intramural Girls engaged in a lively game of baseball.

Girls' Intramurals formerly known as G.A.A. began this year with a little difficulty due to the newly introduced tri-shift system. Practices were held at the end of each shift with the best girls from each practice session picked for the tournament teams.

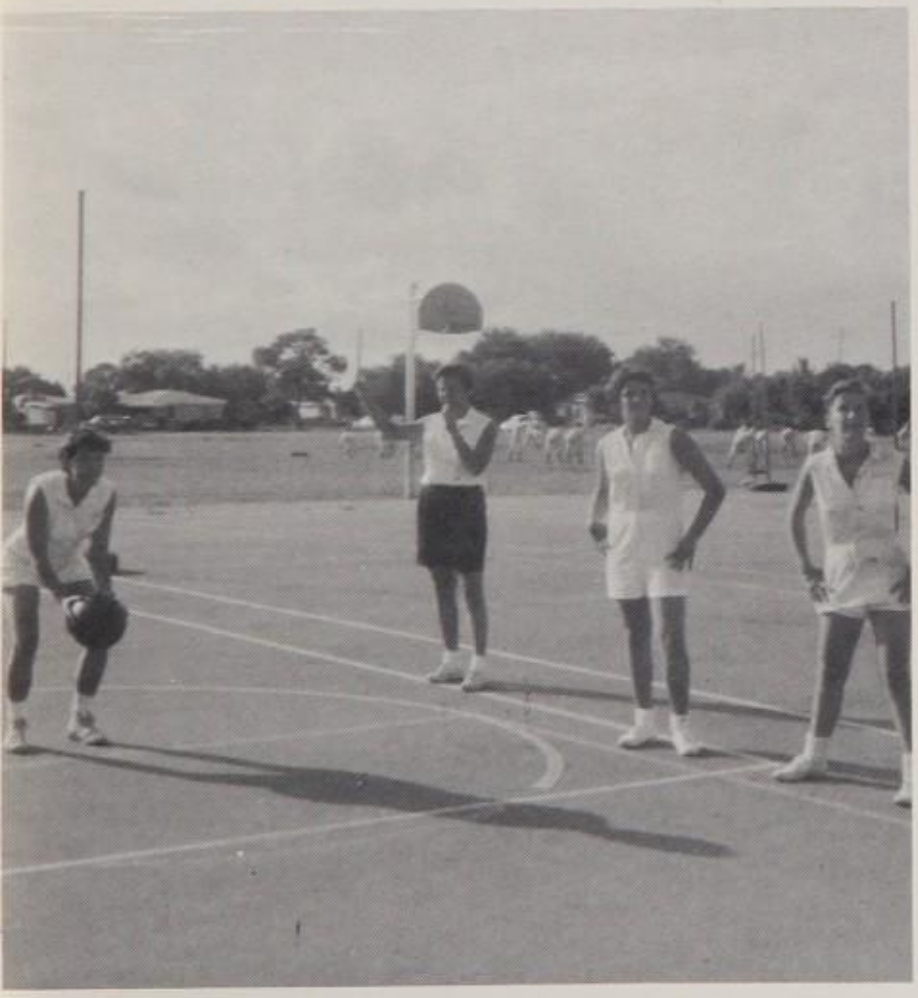
Any sports minded girl can find her place in G.I. due to the wide range of sports that it encompasses. Some of the sports are volley ball, softball, basketball, archery, deck tennis and badminton.

In the fall of the year these girls worked hard in developing their volleyball skills in order that they might play in the county-wide tournament.

# Girls Like Sports Too

Intramural coach, Mrs. Delabar explains fundamental rulings on a controversial play.

After practice sessions are over the girls pitch in and bring in the equipment for the coaches.

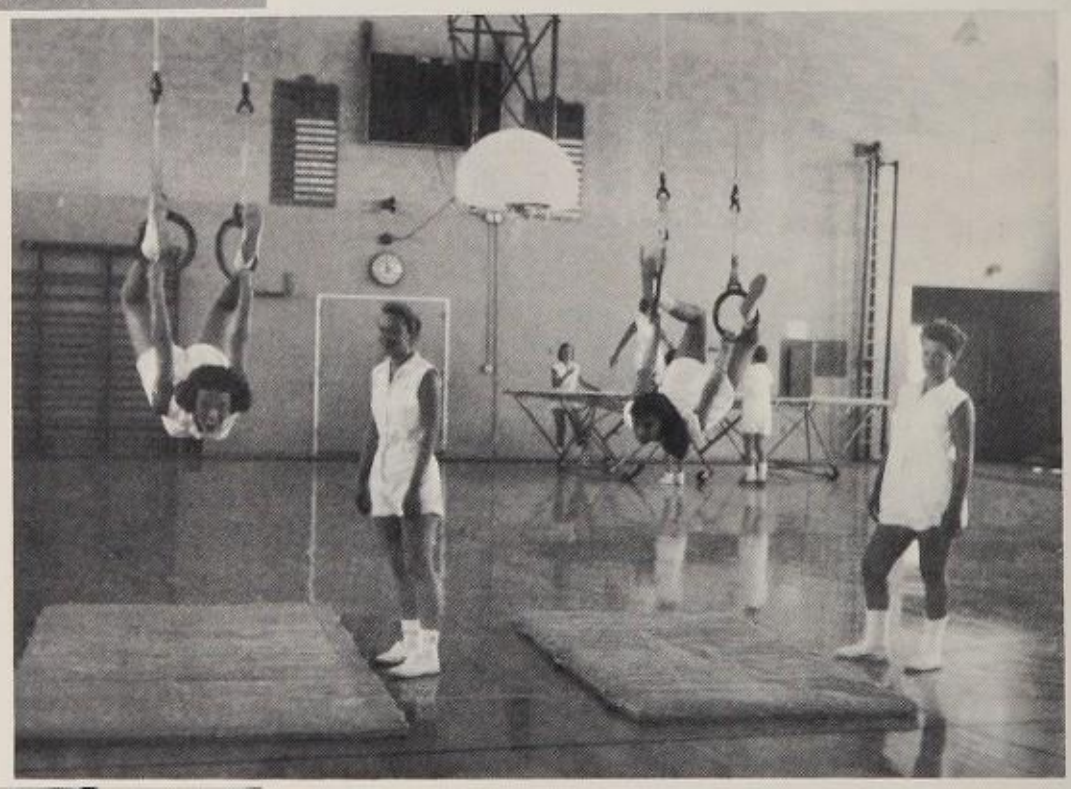


Warming up before basketball practice the girls wonder whether the ball will go through the hoop.

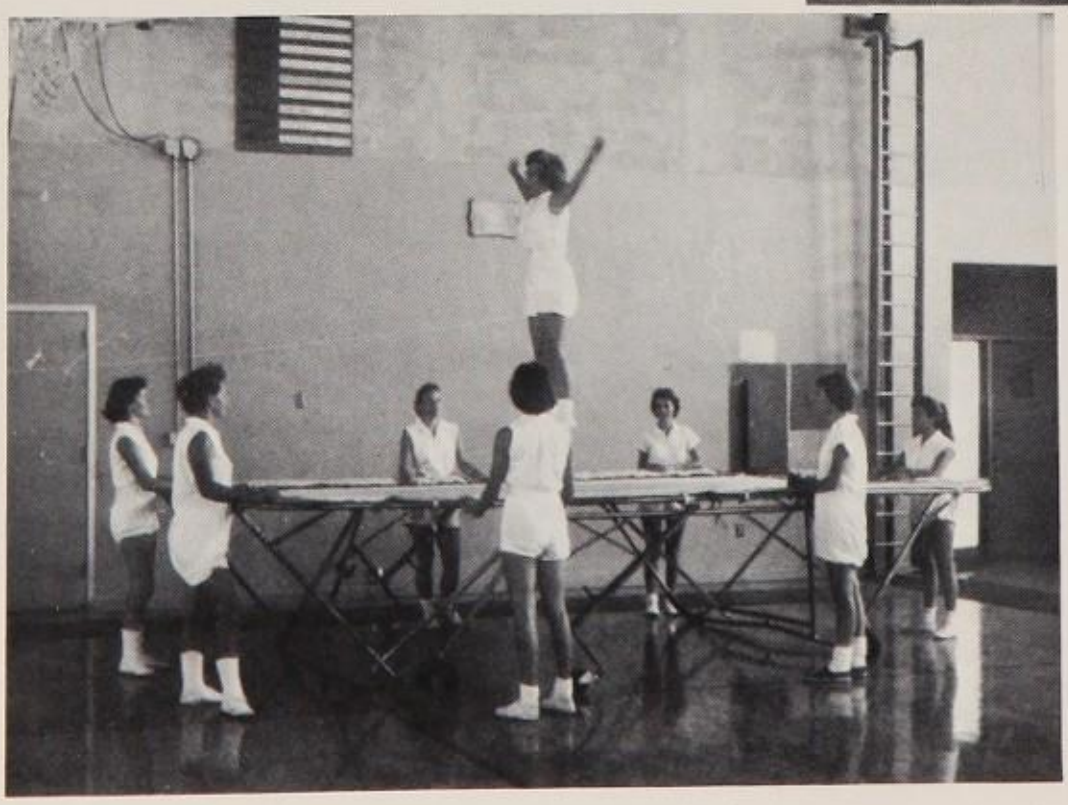
The girls, eager to get home after a late afternoon's practice run into the locker room for a nice cool shower!

# Physical Education Builds Skill

Team sports such as this volley ball game not only teach the girls sportsmanship but also the ability to work together. Sometimes phys. ed. classes provide the inspiration for the girls to further their interests in sports such as participating in Girls' Intramurals or varsity sports.



Twisting themselves into pretzel shapes these girls learn muscle co-ordination in the tumbling classes at physical education. Working on the apparatus in the gym builds skill and is a pleasant form of recreation for the girls.



Trampoline bouncing provides a diversion from the regular routine for the girls' physical education classes. Physical education classes such as these relieve the tension that school work and outside activities create.

Carole Schulman and Charlene Wild try to decide which of the faculty pictures they will use for their section.

# Deadlines Are Due!

Brenda Ward and Gail Eigner work hard to make their section the newest and best ever.

Underclassmen have Pat Wurtzberger and Linda Ankrom for the super job done on the layouts and organization done on their section.

The yearbook directory and index are in the capable hands of Carole Hester, Stella Gore and Bob Peele.

Looking through the filler for their club section are two dependable members of the staff, Barbara Wilson and Carole Buller.

Pam Hepp and Bob Ellis work together this year in the promotion of yearbook sales and publicity for the Conestoga.

Pat Hansen and Sandy De Luca tallied votes for the Senior Superlatives and Senior Dolls to complete their honor section.

Mary Ann Bruno, editor-in-chief of the Connestoga Staff kept busy all year long, meeting deadlines, editing copy, planning layouts, and supervising sections, but the hard work of Mary Ann and the staff will pay off — if the yearbook is as big a success as we hope it to be.

Behind North Miami's Publication Department is one of the friendliest and most likeable teachers you will ever meet — Mr. Carl E. Niles. This is Mr. Niles's first year at NMHS and we certainly hope it won't be his last.

Assistant Business Manager Mike Shaeffer, Photography Editor Robina Romaguera, and Advertising Manager Judy Teague sit looking over advertising contracts and pictures that are due for the next deadline.

Candy Collins
Miss Majorette of Florida, National Strutting Champion of 1958.

James Robinson
Mr. Drum Major of Florida, National Twirling runner-up of 1958.

With the start of the 1958 season, the "new Look" in marching bands was presented to the football audience of North Miami High School. Instead of the conventional block band, this style of marching three lines entirely across the field was used for the first time in Florida by the Pioneer band. The advantage of this style was greater maneuverability, and better blend of sound.

The bands performed at all pep rallies and football games. They especially liked the trip to Key West where they were received most enthusiastically. The bands participated in the Orange Bowl Parade, New Year's Day Orange Bowl game, and Fireworks display.

They presented their fabulous "doodle-town" show in February and began preparation for the participation in district and state contests in which they have continually received top honors in concert, marching, sight reading, and solo ensembles.

## MEMORIES OF A BAND STUDENT

First day of school, Mr. Alexander thunders, "marching Band tryouts 7 to 9 p.m., 4 days a week." — Shaking in our boots for the final try-outs. — The first football game, no water — pre-game show with the Honor Garde, Alex forgot the streamers. — Homecoming rehearsal with the Homecoming Court. Who's the queen? — The Key West Trip, everybody was in bed by 11 o'clock. — Marching rehearsals at night, Burgamy never missed a beat — Alexander screaming one more time. — Mowery always at attention. Liest had a slight accident in Tomb Stone Story. — Dennis and his strut. — 8 to 5. — Rehearsals for Orange Bowl Show — 2 hr. wait before parade — "Anybody want to buy a bar of candy?" — "What's the good word band!" — Give me an "E" by soloist Doug Brown, — and the fainting specialists were Bonnie Hight, Barbara Wilson, Terry Sprinklem, Charlene Manning, Paul Booher, and Mary Alice Hornsby.

# Majorettes

Strike up the band! Our high stepping majorettes are ready to strut to fame and perform those difficult routines before the excited crowd. Dressed in green velvet uniforms and by Mr. Alexander this year's corps has been the best yet. All of the cuties have terrific personalities, grades, personal appearance, and ability to twirl.

Boys' Chorus assisted in the musical portion of the Thanksgiving and Christmas assemblies during the year. It was also responsible for the background chorus of the vocal department's annual "Hi-Jinx" production. Boys' Chorus also participated in the Music Clinic in our school this year by Doctor John Raymond, Choral Director at LaFayette College in Easton, Pennsylvania. Officers: President, Jerry Johnson; Vice-President, Larry McGee; Secretary and Treasurer, Bill Tompkins.

North Miami Senior High School Girls' Chorus this year had a membership between 75 and 80. Most of the work done by these girls was four part treble music. They participated in the Thanksgiving and Christmas assemblies during the course of both semesters. Some of the members sang in the Christmas presentation of the "Messiah."

Other activities involved bake sales, candy sales for the music department as a whole, ushering and assisting with the homecoming float project. The highlight of their year took place during the Music Clinic, May 20th through the 22nd. The officers are: President, Pam Hepp; Vice-President, Mary Rader; Secretary, Carolyn Williamson; Treasurer, Joyce Sauls.

# Honor Garde Marches to Honor and Fame

The North Miami High School Honor Garde was organized in the early part of the school year of 1953 and since then has become the most popular and honored organization in the school.

A girl, in order to be eligible for membership in the Garde, must have a "B" average and exemplify outstanding citizenship and service in her all-over school life. Her morals and standards are of the highest caliber and she realizes that scholarship, leadership, and character are as important as the ability to perform.

The Honor Garde performs at all football games and took part in the annual Orange Bowl Parade. They held a dance after the first home football game at which they announced their first "Top Kick" who was Tom Roller. Their other projects included a tag day with the band, the sale of Christmas wrapping paper, a candy sale, and a moonlight cruise.

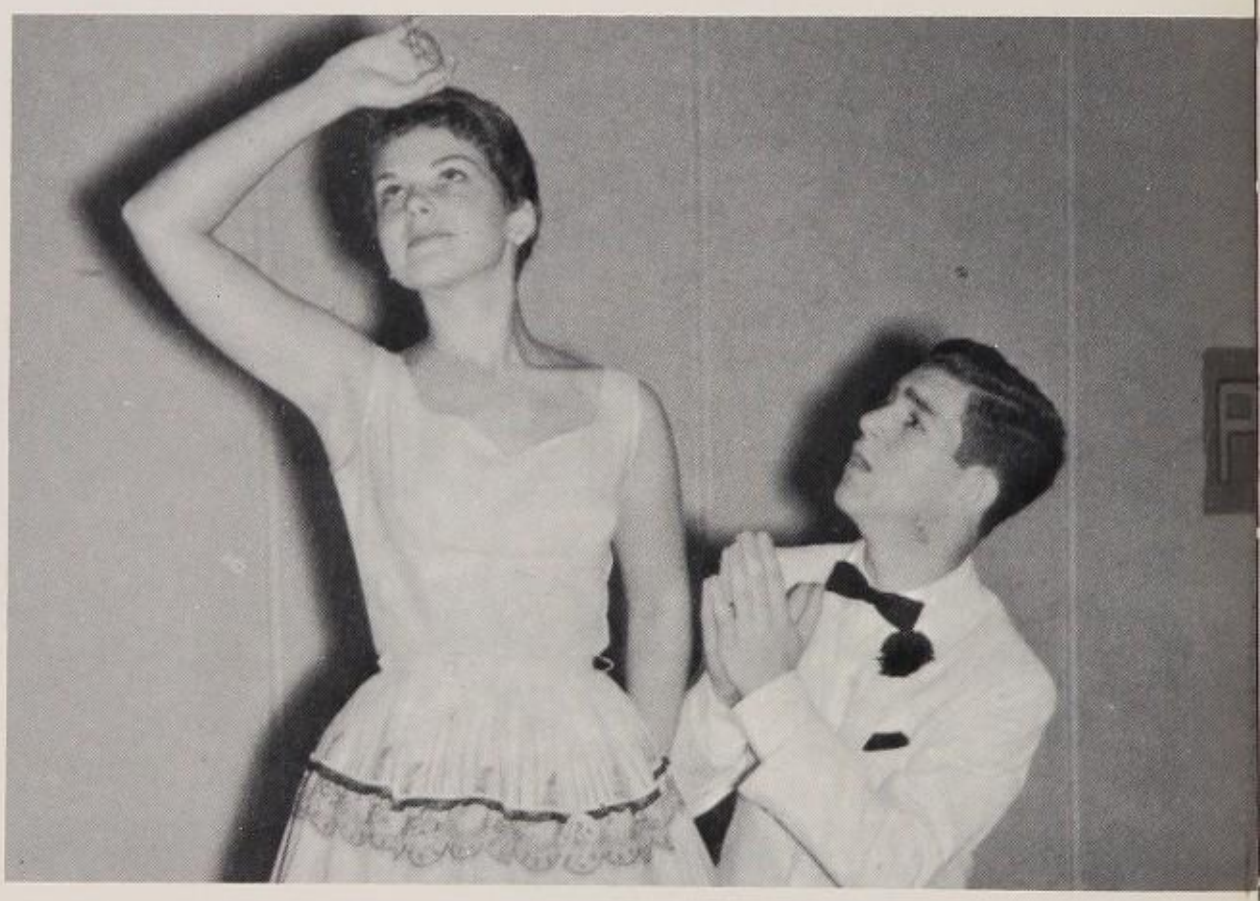
## Most Popular

Every class has their favorites and Pam Hepp and Bill Baxly are ours. Pam with her contagious smile and personality is everyone's sweetheart including Letterman's. Bill is the treasurer of the senior class and rates "Tops" with everyone.

## Most Talented

If there's a talent show you can bet Linda Falk and Richard Carpentier will be in it. These two seniors have actually sung their way into the hearts of thousands of North Miami Students. Linda was a well deserved princess in this year's homecoming court and Richard is vice president of the senior class. We're proud of both of them.



Juliet, ohhhhh, Juliet!

Hey, Barb, get that smuge.

## Done Most for N. M. H. S.

Barbara Kemp and Marty Hines are the "WORKERS" of the class of '59. In addition to maintaining a high scholastic average, their winning personalities and willingness to help has earned them many lifelong friends. Barbara is treasurer of Student Council and vice president of Sorrota. Marty, as Student Council president, wisely controls the student body.

We're off for a big night.

## Most

## Attractive

The seniors couldn't have picked a better title for Carolyn Williamson and Sheldon Best. Carolyn a short, curvacious, blonde, takes an active part in girls' chorus. Sheldon, with his iridescent blue eyes and dark hair captures stares as he walks through the halls. He is a hard working senior class sergeant at arms.

## Best

## Dressed

Where you find Sue Dickenson and Joe Cucolo you find fashion. In addition to their knack to dress well they excell in drama and school activities. Joe has quite a talent for dancing and Sue makes good use of her model training.

What's new in fashion?

Their footsteps are entering the paths of success.

## Most Likely

## to Succeed

Edwina Thornton and Tom Davis have all the qualities that spell success; Intelligence, personality, and determination. Their schedules are sprinkled with Honor class. Edwina is chaplain of Sorrota and a member of National Honor. Tom is president of the senior class, and an ardent Key Cluber.

Goofed again!!!

## Wittiest

Carolyn Cherry and Paul Murch keep their classmates in perpetual laughter with their crazy antics. Effervescent Carolyn is a hard working Drama student and Paul can be seen in various school plays and shows. He recently stole the show with his impersonations of Dracula.

## Friendliest

Mary Jo Powers and Bill Tompkins can be spotted in the halls of North Miami by their smiles. Mary Jo holds the title of Senior class corresponding secretary and Bill is the "finger in everything" man.

Friendly?

What shall we do next??

## Best

## All-Around

Sandy DeLuca and Tom Roller certainly are the "ALL-AROUND" type. Besides being president of Sorrota she takes an active part in the senior class and Future Nurses. Tom can be found on the football field and working for the senior class, or playing the roll of Honor Garde "TOP KICK."

Awh! Go ahead Bill!

## Most Intellectual

If you want "brains," just look around the corner of any Honors class and you will find Linda Poritsky and Bill McCarthy. Linda and Bill are both National Merit finalists. Linda is Corresponding Secretary of Beta and has a list of honors a mile long. Bill is our Foreign Exchange student, a member of National Honor Society, President of Beta, treasurer of Key Club, and — let's stop!

## Most Athletic

Freddy Lewis takes an active part in girls' volleyball and basketball. In her spare time she knocks home runs for the girls' softball team. Her cohort is Ricky Willer, the last of the four year football lettermen. He is an avid basketball player and participates in baseball. This quiet athlete is president of Lettermen's Club, the backbone of varsity sports.

K-Cacth, Freddie!

Hey! over here, can't we catch your eye!

## Most Sophisticated

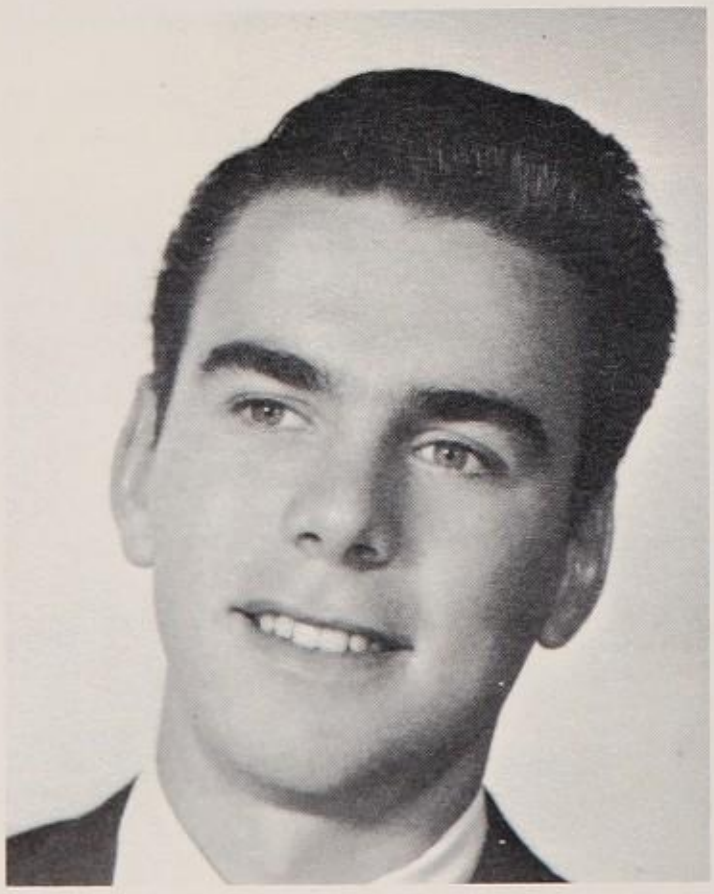
Amidst the bobby soxers in the Senior Class are two "Sophisti-Kats" Carolann Defford and Jerry Curry. Carolann, a quiet, light-haired senior is a favorite with everyone. Ambitious Jerry Curry is Vice President of Jr. Optimist . . . a hard worker for the Senior Class and really rated "TOPS" with all SORROTA girls, as SORROTA SUGAR.

Gene Omini

Fortunate are we to have such a fine person as Gene, our own Foreign Exchange Student. Hailing from Japan, he is respected by all those acquainted with him. Gene is a true example of why we should live in peace throughout the world . . . No finer Good Will Ambassador could be imagined!

Patty Stevens

"Sweet and Gentle," best describes this active Senior. As Sub Deb Service Club President . . . Future Teacher Club President, or Beta Club "Sweetheart," this girl can always be found at her best. All for N.M.H.S., that's Patty!



Steve Williams

"An All-Around student," . . . Steve can be found working for all school activities, be it as Chaplain of our Senior Class, snapping pictures for the Journalism Department or reviewing his job as Junior Class President. Let's face it, this boy's "Versatile"!

Lorna Linhart

As Majorette Captain she leads the group . . . As a student she's tops . . . An active member of Sub Debs Service Club . . . Beauty and all this too?!

Ann Roberston

Poised, charming Ann is Corresponding Secretary of Honoria Service Club, Sweetheart of Tri-Hi-Y, and a member of our Honor Guard. This girl's capacities are endless!

Gordon Branch

Better known as "Twig" is one of the finest Football players North Miami has ever possessed . . . Track runs right along with his good Sportsmanship Record. Smiling and ambitious, we predict success, for this "All American Boy."

Bob Feely

Bob is President of the active Key Club . . . A member of National and Beta Honor Societies . . . An asset to our Senior Class. Extra-Curricular Activities and School Work go hand in hand for this active lad.

Carroll Frison

"Brains" and "Sincerity" are a few of the assets contributed to Nor-Mi-High by Carroll . . . A straight "A" intellect and "Oboeist" . . . This boy succeeds in all he attempts!

Judy Jackson

Honor Student, and North Miami High's first girl Foreign Exchange Student, although we wouldn't "Exchange" anything for this bright eyed Beta Member.

The vocational wing was this year's new addition to the school. It housed the shops filled with valuable equipment. With the addition of this wing, our school became a Comprehensive High School.

The office was filled with students who want their schedules changed. This will be the last time for the Seniors pictured.
